CHRISTOPHER ANDERSON

The Truth Process For Men and Women

To bring the eternal down to earth, that is the purpose of the Truth Process for Men and Women. Since the beginning, our religions have promised to us an eternal (spiritual) life. They have not been able to deliver due to a simple failure to make two necessary abstractions. Actually, one of the abstractions was made but not the other. Until the other is made, the eternal (truth) will always stay in the future.

The eternal is a touch or connection. It is a place in the heart or soul where upon a man and a woman can reach out to each other and touch eternally. The connection is made and known given the two abstractions. Without the understanding of these two abstractions, our relationships will continue to wither and die. We lose that special love that was once felt and wonder why. The solution to this collapse, which is now affecting every aspect of our lives, lies in the eternal touch via the two abstractions. The truth is simple but only once you know it!

The Truth Process for Men and Women is a two-day workshop costing \$195.00 for individuals and \$295.00 for couples. For upcoming workshop dates and locations call (707) 575-1280 or go online at

Speaker's Bio

Christopher Alan Anderson (1950 —) received the basis of his education from the University of Science and Philosophy, Swannanoa, Waynesboro, Virginia. He also has bachelor of Arts degrees in philosophy and psychology from Sonoma State University, Rohnert Park, California. He is the author of some twenty-five books and booklets on metaphysics creating a new paradigm for life called Man and Woman Balance. He also has created and presents the workshop called *The Truth Process for Men and Women*. He resides in the transcendental/romantic tradition, that vein of spiritual creativity of the philosopher and poet. His quest has been to define and express an eternal *romantic* reality from which a man and a woman could *together* stand in their *difference* and create a *living* universe of *procreative love*. Mr. Anderson began these writings in 1971. The first writings were published in 1985.

On a personal note, when Mr. Anderson was asked to describe the writings and what he felt their message is, he responded, "**spiritual procreation**. Mankind has yet to distinguish the two sexes on the spiritual level. In this failure lies the root of our problems and why we cannot yet touch the eternal together."

"The message of man and woman balance brings each one of us together— *in love*— with our eternal other half right now."
